Job Opportunities

Esthetician: Career Outlook and Job Profile

An esthetician (aesthetician), also known as skin care specialist, helps people look their best. This article provides job description, educational requirement, and employment outlook for anyone interested in a career as an esthetician.

Esthetician Job Profile

Estheticians fall under the broad category of cosmetologists. Specifically, though, estheticians (aestheticians) deal with keeping clients' skin healthy. They accomplish this by providing their clients with skin treatment options and skin-cleansing products. Skin treatment options include, but are not limited to waxing, massages, and facials.

Estheticians are not medical doctors; rather, they are concerned with the appearance of clients' skin and perform all non-medical skin procedures. Other jobs could include a educator or manufacturer's rep, teacher, salon and spa manager, medical esthetician working in a plastic surgeons or dermatology office and receptionist.

Job Outlook for Estheticians

The BLS, www.bls.gov states that job outlook projections through the year 2014 for cosmetologists is expected to grow about as fast as the average for all occupations. The average esthetician, or skin care specialist, earned \$24,010 starting out upon licensure in the year 2004.

Student Services

Academy of Aesthetic Arts believes that your confidence and future success in your chosen field comes by practicing the skills you will learn. Academy of Aesthetic Arts LLC will advertise and promote supervised student services to the public to ensure you receive as much opportunity to practice as possible. Student discounts will be offered to immediate family members. Students may book personal appointments on student service days. Students will receive personal student business cards to promote them selves to the public.

Facilities and Equipment

The Academy of Aesthetic Arts consists of approximately 8400 square feet of floor space, used for classrooms, offices, dispensing, and student clinical spa. All equipment used in lecture, visual aids, hands on demonstrations, and clinic environment exceed all the requirements of the Kansas State Board of Cosmetology. Parking is designated in front of building for students and clients.

Grades for Passing

Students will be expected to maintain an 80% grade average or higher.

A = 100 - 96%

B = 95 - 86%

C = 85 - 80%

D = 79 - 75%

F = 74% and below

All tests require an 80% passing grade. In the event of a test failure students will be allowed one test re-take within three school days. A second test failure will result in a \$50 retake test fee. Passing is mandatory. Students who miss lectures must reschedule and be present for it on the next scheduled lectured time.

State Board of Cosmetology Inspection

The Esthetician program is subject to unannounced inspections, at any time by the Kansas State Board of Cosmetology. Any student found in violation of the State Board Sanitation requirements will be asked to leave the clinic floor.

Absenteeism/Tardiness

It is essential to your learning success that you are present everyday and on time to accommodate possible lateness the following is our time clock policy. We allow a clock in window of ten minutes before class begins and 5 minutes before start time. If you are 6 minutes late you will receive infractions and be documented as tardy. *Only 10 tardies* will be tolerated for all programs offered.

If you exceed your tardies you may be dismissed immediately from the program.

Tardy rule will not apply for arriving late with written request for pre-approval.

If it is necessary to be absent, you, a spouse, guardian or parent must call one (1) hour before class begins or risk immediate dismissal.

Students **May NOT** call in sick, late or absent for other students.

Students who do not call in on Saturday or leave early without pre-approval will be subject to additional infractions and time penalties.

The maximum hours allowed for missed time before overages are imposed is 50.

Hours missed beyond 50 hours are subject to a tuition overage fee of \$9.75 per hour.

Maximum allowable hours missed for entire program is 90 hours.

Students will be given a required graduation date of 1000 hours + 50 hours (1050 hrs.)

Instructor Programs must be completed within 6 months and are subject to the same attendance rules. This will include holidays and days closed due to bad weather.

Students must maintain a 90% attendance of the entire program hours available from the start of the program to review the period to avoid being dismissed from the program.

Attendance progress reviews are approximately 8 weeks for full time and 10 weeks for part time. Students will be offered an opportunity to come into attendance compliance as long as the tardies and 90/10 rule can be re-established. Students not in attendance/tardy compliance do not have voluntary withdrawal status until 90/10 and tardy attendance requirements are met.

Student Dress Code
